## NOTICE

**DOCKET:** 03-00344

**IN RE:** Request for Audit of BellSouth Telecommunications Inc.'s Tariff to Introduce CCS7 Access Arrangement Service

**DATE:** August 1, 2003

XO Tennessee, Inc and AT&T Communications of the South Central States, LLC (collectively, the "Intervenors") filed the document at issue in this case, the *Request for Audit*, on May 14, 2003. On July 2, 2003, BellSouth filed a *Motion for Deferral of Agenda Item and Request for Extension of Time to Respond to Intervenors' Request for Audit of SS7 Charges*. Therein, BellSouth requested that this matter be removed from the agenda of the July 7, 2003 Authority Conference to allow BellSouth sufficient time to respond to the May 14, 2003 filing. BellSouth requested that the filing date be extended until July 25, 2003. On July 7, 2003, the *Intervenors' Response to BellSouth's Request for Additional Time* was filed, stating that the Intervenors had no objection to the extension of time.

On July 24, 2003, BellSouth filed the *Unopposed Motion for Extension of Time to Respond to Request for Audit*, requesting that it be permitted to file its response on August 1, 2003. BellSouth also requested that this matter be placed on the agenda for the August 18, 2003 Authority Conference, rather than the Authority Conference scheduled for August 4, 2003.

On July 31, 2003, BellSouth filed a letter requesting that the time for filing its response be extended until August 4, 2003, due to scheduling conflicts. The letter states that local counsel for the Intervenors had no objection to this request.

In light of BellSouth's July 31, 2003 request, BellSouth shall file its response to the *Intervenors' Request for Audit* **no later than Monday, August 4, 2003.**
